Ma'am/Sir,

I am writing this letter to express my interest as *Able Bodied Seaman* in your company. I am highly experienced with over fifteen years of work in seafaring industry.

In my current position as *able seaman*, I was doing all my job in safely manner. Following all the company procedure and all safety instruction by my senior officer, for the safety of all my team mates while onboard.

I have been almost five years experienced working on bunkering vessel and all other remaining years was on a big tanker vessel. As able seaman, I know all the tasks on taker vessel. Assisting in loading, unloading, and ballasting operation, are some of the tasks that were executed in safely manner. Mooring operation and watchkeeping during navigation are also tasks that I perform appropriately. In fact, I have promotion request as *Bosun* from my previous company, but unfortunately no vacant yet.

I am excited about the opportunity to bring my skills and expertise to your term. I believe my experience in seafaring industry will contribute and would make valuable asset to your company.

I would welcome the opportunity to discuss my qualification further and learn more about the opportunity. Please feel free to contact me anytime.

Thank you for considering my application.

Sincerely yours,

JAYSON M. ALDAY
