This certificate is issued to

JAYSON M. ALDAY

for having successfully passed the

SAFE MOORING OPERATION TRAINING

(24 Hours)

Table A-II/5 of the STCW Code 2010 Manila Amendments

Function: Controlling the Operation of the Ship and Care for Persons On Board at the Support Level (Contribute to the Safe Operation of Deck Equipment and Machinery)

conducted from November 16 to November 18, 2015.

The course provides training, guidance and practice for seafarers on the basic principles of safe mooring operations. It includes theory and practical training and assessment utilizing a mooring station and related equipment.

The training includes topics on basic mooring theory, communication during mooring and anchoring operations, safety awareness and risk assessment associated with ship's mooring, mooring winches, windlasses, capstans, wires and ropes, stoppers, handling of heaving lines and messenger lines, tug lines, fire wires, possible hazards or dangers including snap-backs, and the basic maintenance of mooring winches and windlasses.

Issued this 18th day of November, 2015 at Manila, Philippines.
